

1 **VIRGINIA:** How about some fresh milk then? While we're here?
OLIVIA: I think that's a fair request, Henry.
MAISY: (*Runs IN. To CHARLIE.*) Mr Mayor! You'll never believe what I saw with my own eyes! What I heard with my own ears!

5 **HENRY:** (*To CHARLIE.*) Tone deafness runs in the family.
OLIVIA: (*Nods.*) It's chronic.
MAISY: Mayor McCheese, you must believe me! There are aliens on our farm!
CHARLIE: Nonsense! (*To HENRY.*) Let's see this cow, shall we?

10 **HENRY:** Most certainly. This way!
MAISY: If you won't listen, I'm going to find someone who will! (*Runs OFF. HENRY shrugs and leads OTHERS to MAKEMAKE, who they think is Daisy Belle. IVY is with MAKEMAKE.*)
HENRY: Mr. Mayor, here's our cow, Daisy Belle, and this here is Ivy.

15 He helps out on the farm.
IVY: (*To CHARLIE.*) Nice to meet you, sir... (*To VIRGINIA.*) ...ma'am. Say, Henry... (*Gestures to MAKEMAKE, who stands idly and quietly.*) ...Daisy Belle has been acting kind of weird lately. She only eats grass in circles.

20 **OLIVIA:** (*To HENRY.*) What is happening around here? First Maisy and now Ivy!
VIRGINIA: (*Smiles politely.*) What do you say to some fresh milk?
OLIVIA: Ivy? How about some milk?
IVY: (*Fidgets nervously.*) About the milk, ma'am...

25 **CHARLIE:** Out with it, boy!
IVY: It's green! It's green! (*Grabs a bucket and shows HENRY and OLIVIA, who are shocked.*) Green as a leprechaun! Green as grass! Green as trees in spring! (*Clutches HENRY.*) The milk is green!
